**EMPOWERED EDUCATION**

 [www.redhillshigh.ac.in](http://www.redhillshigh.ac.in)

This maiden issue of KMV Red Hills Senior Secondary School's News Letter, heralds the happenings of High School and Senior Secondary Section.

May it be academics or activities , sports or field trips , projects or competitions, Learning is the true purpose of each of all the events; It is necessary for Children to explore real issues around them, learn through exploration and questioning.

Adding flavor to the learning we add the tints and bits of love, care, giving, camaraderie which are always a part of every event and 'no eventful' days at school throughout the year.

This News Letter is an excerpt of learning and education that we strive to achieve.

## **ORIENTATION MEETING**

The school's academic year commenced with orientation meetings. An online orientation was conducted for Grades VIII-XII on 19 May,2023.

The parent orientation programme is held to have confidence about their child's progress as well as give them an idea of the various teaching methodologies being employed at the school. By doing so, the parents would be able to implement and follow up the learning process at home as well, ensuring the student doesn't lose continuity in learning.

The school curriculum and the subjects being taught, the exam pattern, the rules and regulations of the school are explained. This provides the parents with a clear idea of what the students will be learning .

## **SENIOR SECONDARY AND HIGH SCHOOL**

### **NOMINATIONS FOR STUDENT COUNCIL ELECTIONS**

The School Cabinet comprises of School Head Boy, School Head Girl, Sports Captain and Sports Vice Captain, Cultural Secretaries. The dutiful cabinet members take up their responsibility in a very diligent manner throughout the year. As Nomination is part of the process of selecting a candidate , the candidates gave nominations for respective posts.

# SCHOOL COUNCIL ELECTION

The election for the Students' Council was held on 10 June 2023.

The objective of appointing the Student Council is to provide a platform for the students to develop leadership qualities by organizing and carrying out school activities. The Student Council is the voice of the student body. They help share student ideas, interests and concerns with the school-wide community.

In the preliminary round, candidates who had filed nominations were asked to give a three-minute speech to present their case on why they should be elected for the posts they had stood for. This was followed by the students voting. The results were announced on 14th June 2023.

The elected students will be conferred designation badges and sashes in the Investiture ceremony on 8th July 2023.

### Hold On

*Lyrics By – Ranjan B.N, Nandakishore Hari*

#### *Verse 1*

*In the darkest of nights, a troubled soul  
A heavy burden that they couldn't control  
Lost in shadows, feeling so alone  
Searching for an escape, a place to call their own*

#### *Pre-Chorus*

*But hold on, my friend, don't let go  
There's still hope, a way to grow  
Though the pain feels endless, don't despair  
Together, we can find love to repair*

#### *Chorus*

*This song is for the ones who feel undone  
When life feels too heavy, and the battle can't be won.  
But remember, there's a light that shines so bright  
You're not alone in this fight, you're not alone in this fight*

*Verse 2*

*Though the tears and fears that could break your mind  
Hold onto the strength, you'll someday find  
Reach out your hand, let someone understand  
There's healing in connection, let's build a helping hand*

*Pre-Chorus*

*Hold on my friend, don't let go  
There's still hope, a way to grow  
Though the pain feels endless, don't despair  
Together, we can find love to repair*

*Chorus*

*This song is for the ones who feel undone  
When life feels too heavy, and the battle cant be won  
But remember, there's a light that shines so bright  
You're not alone in this fight, you're not alone in this fight*

*Bridge*

*Let's break the silence, let's break the chain  
Open up, speak out, share pain  
There's strength in unity, let's lend a hand  
Together we can heal, together we can stand*

*Outro*

*Hold on, my friend, don't let go  
Together we'll find the strength to grow  
In this world, let love be our guide  
We'll support each other, side by side*

## मुसाफिर ढूँढे मंजिल अपनी

निराशा तो फिर अनचाही है,  
सुनाजिंदगी का तूराही है ।  
मुसाफिर तेरा राह अलग है,  
तुझे बनाना ही परछाई है।  
तेरी पहचान किसी की मोहताज नहीं,  
ये तो तेरी कठिन कमाई है।

काटों से हो राह भारी तो,  
फूल उन्हीं पर खिला देना।  
लगे बेरंग सी दुनिया तुझे तो,  
सब कुछ अपने रंग में रंग देना ।  
मझधार में कभी फंस जाये नैया,  
तो लहरों के संग मत चल देना ।

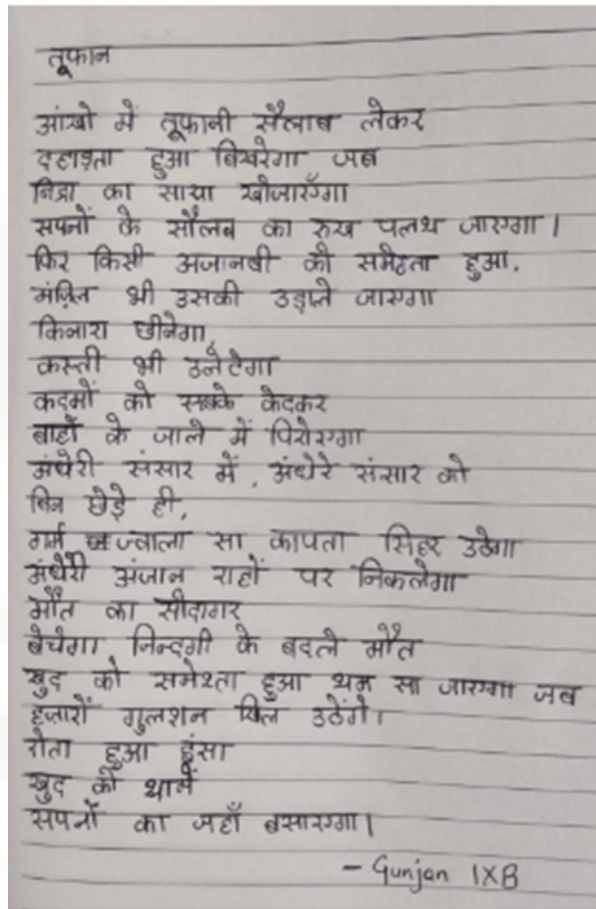

गिरते- संभालते- आगे बढ़ते,  
खुद का ही हमराही बनना होगा।  
पाना हो अगर लक्ष्य तुझे तेरा,  
तो शैया छोड़ निकलना होगा ।  
नाम तेरा मिसाल बन उठे,  
तुझे उतना काबिल बनना होगा ।

होमेहसूसकिसीकीकमीकभी  
तोआसराखुदकाहीलेलेना।  
थकजाओचलतेचलतेजोतुम  
तोपानाहखुदहीकोदेदेना।

# WORLD DAY AGAINST CHILD LABOUR

## **PRE – PRIMARY & PRIMARY WORLD ENVIRONMENT DAY REPORT**

World Environment Day is celebrated every year on the 5th of June to raise global awareness and to take positive environmental action to protect nature and the planet Earth. It is a day that reminds everyone on the planet to get involved in environment-friendly activities. From school children to community groups, companies, and governments, all come together to pledge towards building a greener world.

Keeping this aim in view, the Pre-primary children of KMV Red Hills Kindy, Bengaluru were briefed about the importance of this day. Children were asked to bring a sapling (Shramadhan), which was to be planted on the campus. On Friday 9th, June 2023, our school organized an awareness program on World Environment Day. After the start of the program, all the students with the help of the teachers planted saplings in the campus, as well as all the teachers also helped the students with planting.

A lot of enthusiasm was seen in the kids who brought pots with saplings of different varieties of herbs and shrubs. All the students and faculty members have participated with full energy in this program. Our Principal and Head Mistress, Ma'am were also present at the program.

The objective of this program is to spread awareness among children about saving our environment from various types of pollution and to plant more and more trees to make our mother earth full of greenery.

The event was conducted successfully with wholehearted participation and awareness for a greener World.

**Protect, preserve and prosper, love thy earth. Its the greatest Treasure, think before you trash it. Let us do our small bit to make the world a cleaner and.**

We, the pre-primary wing of KMV Red Hills Senior Secondary School celebrated Environment Day on the 9 June initiating a planting drive in a neighborhood park. The children of Nursery, LKG & UKG were taken out for a nature walk to a park where children were encouraged to plant saplings and were taught to take care of them and sensitized about protecting our Mother Earth. Children called out a few slogans attracting the public and bringing awareness about conserving nature.

The teachers shared a few tips about waste segregation and water conservation. They were educated about the 3 R's –Reduce, Reuse, and Recycle. The day ended with our children taking an oath to nurture nature to have a nurturing future.

## MORNING ASSEMBLY ON WORLD ENVIRONMENT DAY:

The objective of the skit was to sensitize the harmful effects of plastic on humans as well as animals and the ways to curb the usage of plastic. The skit was well presented by the students involving a family comprising the parents and two children, enacted by Nirvi and Aadhyanth. The skit came alive with a vegetable market set-up and our students Ayur, Isha, Saptashri, Suchir, Ayushree, Rachita, Bhuvan, Ahan, Ramcharan, Liza Manaswi, Chasvi, Yashas, Vihaan, Aaradhya, Trisha and Adina were at their best to get into the character of a vegetable vendor, parent or a consumer. Through the skit, they highlighted the use of cloth bags and shun the use of plastic covers whenever we go out shopping. Lastly, a vote of thanks was delivered by Adina. The celebration of world environment day was concluded with the planting of saplings by our Principal, teachers, and students.

## MORNING ASSEMBLY ON WORLD DAY AGAINST CHILD LABOUR:

Children are the greatest gift to humanity and childhood is an important and impressionable stage of human development as it holds the potential to the future development of any society. Every nation links its future with the present status of its children.

Child Labour refers to the exploitation of children through any form of work that deprives them of their childhood, interferes with their ability to attend regular school, and is mentally, physically, socially, and morally harmful. World Day against child labor is celebrated on June 12th all over the world.

We, at KMV Red Hills Senior Secondary School celebrated the day on June 14, 2023. Students of the Grade 4 D and E section enacted a skit on the abolition of child labor.

The skit was about a family of Rangappa and Kamala who migrate to the city with their children in search of a job. Due to their poor economic condition, they are forced to send their son, Ramu for work. Ramu works hard and at the same time keeps himself abreast with information reading newspapers whenever he finds time. This was observed by one of the customers, who works for an NGO, who helps Ramu to cherish his dream of studying and gets him admitted to a school.

Thus, this role play raises awareness about the disconcerting aspect of child labor at the expense of education.

The role play was well presented by our students Shane, Anoushka, Lochan, Tanmay, Kushi Raj, Ananya, Shreyams, Surjan, Trijal, Shravani, Harshith, Isha, Sapthashri and Nishitha.

It is therefore our responsibility to raise our hands against child labour and contribute towards its eradication. Let there be books instead of tools in the little hands...

The other participants of the skit were Ramcharan, Liza, Manaswi, Chasvi, Yashas, Vihaan, and Aaradhya. Lastly, a vote of thanks was delivered by Adina. The celebration of world environment day was concluded with the planting of saplings by our Principal and Head Mistress along with the students.

## PICK AND SPEAK COMPETITION:

Pick and speak is the spotlight for those who voluntarily hold the mic and speak up on the topic and look up to the curious crowd. The competition was conducted for Grades III & IV wherein they had to speak about their chosen EVS topics. This activity encouraged children to come out of the fear of public speaking and impress the audience. One by one, each having their points with a timer set tried their best and put up a great competitive spirit in the class.

To improve communication and descriptive skills in children "Show and Tell" competition was organized for Grade I & II. Children described and spoke a few lines on the object of their choice

The students were informed to bring their favorite toy or any object of their choice. They were excited to share their descriptive narration and waited eagerly for their turn to show and tell. Thus, this event helped our tiny tots to build their social, emotional, and language skills.

Students involved in individual activity infuse in their originality, self-confidence & self-reliance. The inspiring presentation left no stone unturned to achieve a realistic appraisal of their skills and to discover the power of spoken words.
