Doctors' Day

Celebrating Doctors' Day is a wonderful way to show appreciation and honour the contributions of healthcare professionals who work tirelessly to save lives and improve the health of individuals and communities.

Children were dressed in doctors' attire on July 4 2023, and a self hygiene session was conducted by Dr. Lakshmi a renowned Paediatrician in our neighbourhood.

Good Manners Week

Celebrating Good Manners Week is a wonderful way to promote and reinforce positive behavior, respect, and kindness in individuals and communities. It is a time dedicated to raising awareness about the importance of good manners and encouraging people to practice polite and considerate behaviors in their daily lives. Circle time activities were based on the same topic from 10 to 14 July 2023.

Restaurant Day

Celebrating Good Manners Week is a wonderful way to promote and reinforce positive behavior, respect, and kindness in individuals and communities. It is a time dedicated to raising awareness about the importance of good manners and encouraging people to practice polite and considerate behaviors in their daily lives. Circle time activities were based on the same topic from 10 to 14 July 2023.

Guru Purnima

Guru Purnima, which is celebrated to honour the importance of teachers, was celebrated on July 3. On this day, people worship their gurus and express gratitude. It is believed that the day commemorates the birth of a sage who edited the Vedas and spread knowledge. Children performed a pooja with the chanting of sacred hymns. A skit was presented by the teachers to highlight the importance of the Guru in a student's journey of education.

Paper Bag Day

World Paper Bag Day is an annual event that is celebrated every year on July 12 to help raise awareness of the environmental benefits of using paper bags over plastic bags. Paper Bag Day is an observance that promotes the use of paper bags as a more environmentally-friendly alternative to plastic bags. The celebration involved various activities and initiatives to promote the use of paper bags, educate

people about the harmful effects of plastic bags on the environment, and encourage them to make sustainable choices. A short rally walk was organized and Nursery, LKG and UKG where in children distributed handmade paper bags to the next-door shop vendors on July 12 2023.

Parents Day and Red Day

Parents' Day is a special occasion celebrated to honor and appreciate parents and their role in the lives of their children. It is a day dedicated to expressing gratitude and love for all the sacrifices and hard work that parents put into raising their children.

Red Color Day

It is a fun and lively celebration where people come together wearing red clothing and accessories to create a vibrant and festive atmosphere, themes and activities are organized to teach children about colors in an enjoyable way. It also promotes creativity, social interaction, and a sense of community among the students, Parents and teachers. Fun cooking without fire, collage making competition was conducted and group games were played. It was a fun filled day.

Equinox with World Parents and Grandparents Day

Grandparents are a family's greatest treasure, the founders of a loving legacy, the greatest storytellers, polite teachers, the keepers of traditions. Grandparents are the family's strong foundation. Through their special love and care, grandparents keep a family close at heart.

To honor the important role parents and grandparents play in a child's life – KMV Red Hills KINDY celebrated

Parents and Grandparents Day on 22nd July 2023. The entire campus was decorated with yellow being the theme as it also marked Yellow day celebration. Parents and grandparents were invited to school, and the school had surprises planned for them.

The celebration began with the traditional lamp lighting ceremony followed by a song from the students of UKG. Various competitions such as Fireless cooking for grandparents, making a photo collage for fathers & rangoli for mothers were conducted. It was an eventful celebration with the grownups re-living their childhood playing games and sharing their memories with each other. As an icing on the cake, the grandparents and parents were amazed when they were awarded prizes for the competitions held.

Healthy Food Drive

The famous proverb "Health is Wealth" reminds us about the importance of good health, Health is the most important aspect of life and if we eat healthy, we can live a more prosperous and long life.

A Healthy Week drive was observed in the month of July to encourage and motivate them to eat healthy food and also to maintain hygiene and neatness around them. The students were very excited about the drive and each class contributed to outwit the other to bag the best class for the month. The best class among the primary, middle and secondary being III C, V, D, and VIII B were awarded for the same.

Kargil Vijay Diwas

"The true soldier fights not because he hates what is in front of him, but because he loves what is behind him."

- Gilbert K. Chesterton

Kargil Vijay Diwas, a day to remember the gallant efforts and sacrifices of the Indian Armed Forces. Let us salute to all our soldiers who are brave and protected us all throughout the day and night. Let us remember their fights and toil on this day to pay tribute to Kargil Martyrs who are the symbol of courage and sacrifice for safeguarding the borders of our country.

'Kargil Vijay Diwas' was celebrated in K.M.V Red Hills Senior Secondary School on 22 July, 2023. As part of the celebration Grade V students had ART, COLLAGE and DANCE competition to show case their talent and also respect and emotion towards the martyrs of Kargil War.

Students showcased their exemplary skills and brought out their thoughts and patriotism towards the martyrs through this competition. All the students participated with utmost enthusiasm and dedication. The winners of the competition were awarded and the participants were appreciated for their efforts.

Visit to ISRO-LEOS

The Head Boy & Head Girl from grade X along with the Academic & CCA Coordinator visited the ISRO LEOS Centre in Peenya on 5th July 2023. We could witness the design, development, and production of Attitude Sensors, the development of Optical Systems for remote sensing and meteorological payloads, world-class fabrication, testing and coating facilities. Photography was prohibited.

Investiture Ceremony

Investiture Ceremony is not just about providing titles, but about conferring responsibilities to the students, to take charge of the school and take it to the height they desire with their leadership and decision-making skills, communication and teamwork.

To follow the legacy, KMV Red Hills Senior Secondary School, with Principal Ms. DorcusPreethi, Senior Coordinator Ms. Preethi Prabhu and the entire high school team had organized the Investiture Ceremony for the academic Session 2023-2024 on 8 July 2023.

The Investiture Ceremony was graced with the presence of Mr. V.V.Ramana Reddy, Scientist-LEOS, ISRO, Our Director Mr.Vinay Prabhudev and Associate Director (SREIS) Ms.Rakshita were among the dignitaries who witnessed the ceremony.

The badging ceremony of the newly elected candidates was carried out by the dignitaries.

The Oath taking ceremony was led by the Principal. The student council pledged to work earnestly and uphold the honor and glory of the institution.

The Chief Guest shared his thoughts and experiences in life and admonished the students as to how one's own life experience, moral values, and discipline in life can help to shape the future and become a good leader.

This was followed by awarding the meritorious students of 2022-23.

Workshop for students

A workshop was conducted for the Girls of Grade V-XII on 12 July, 2023 by the Counsellor Ms. Shreena. Puberty Cycle, Healthy Toilet Habits and Menstrual Cycle were the topics discussed.

EQUINOX

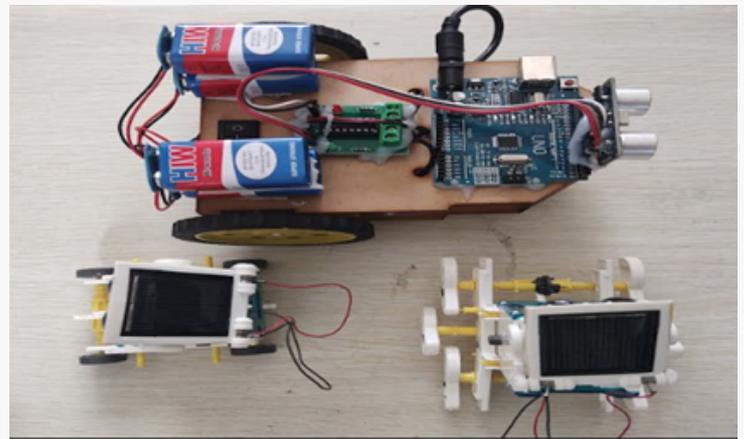

- [Interclass Science and Math Model making competition]

"The scientist is not a person who gives the right answers; he's one who asks the right questions."

– Claude Levi-Strauss

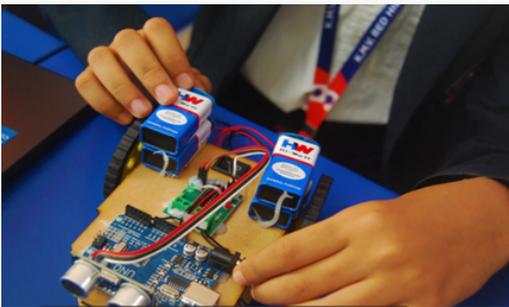

Science and Mathematics is inexplicably linked with our lives and helps us to understand the world around us in a more logical way and better way. KMV Red Hills has taken many initiatives to generate curiosity and develop a scientific attitude amongst learners. Such initiatives are taken to stimulate the attitude for innovation and inventiveness and at the same time encourage children to be creative and responsive in use of science and technology

There was a myriad of fun experiments. The working models demonstrated the effective collaboration of the students. It was a great learning experience for both the students and the teachers. Students showcased their creativity, innovation and scientific temperament. The students also gave a beautiful and detailed explanation of their models and performed experiments on different topics related. There were scientific concepts and theories behind every project. This exhibition not only honed the communication skills of students, but also polished their skills in technology and was a step forward towards their all-round development.

Students demonstrated their skills and team work during the event and put their best shot out. Parents and also the judges Dr Giri, DrPavani, Dr. Savitha Suresh, Mrs. Sunitha Sharma appreciated the commendable work of the students. Overall, the event was a grand success and the best class department wise was announced. The overall winners for each department were awarded and felicitated. The results are as follows

Pre-Primary Department - Nursery
Primary Department - Grade III B
Middle School Department - Grade V B
Senior Secondary Department - Grade IX A

House Board Decoration

The School Council leaders decorated the School House Boards based on the topic 'Science'.

Rhyme Time Competition for Grade I

Inter-section Rhyme Competition was held on Saturday, July 22, 2023. This event aims to showcase the creative abilities in the field of poetry and provide an opportunity for the students to express themselves through the beauty of rhyme.

All students were encouraged to participate in this exciting event and explore their poetic talents. This competition showcased their creativity and expressed their thoughts in a rhythmic and captivating manner.

The children showed excellent coordination in presenting their medley of rhymes and left the audience enchanted. Grade ID emerged winners and certificates were distributed to all participating students.

Clubs at schools enhance learning through interaction and discussion. Every activity carried out by the club will encourage students to cultivate a different perception of life. Students get an opportunity to showcase and groom their talents. Activities conducted in schools not only benefit in shaping their interests and hobbies but also develop their leadership and social skills.

Below are pictures showcasing Primary students' work in the club.

Numb

Lyrics By – Nandakishore Hari, Ranjan B.N (IX A)

Verse 1

I'm feeling so lost, can't find my way
Everyday feels like a battle I can't face
The weight of the world is on my shoulders
And I can't escape the feeling that I'm getting colder

Chorus

Numb, everything is falling apart
Numb, can't find a way to restart
Numb, I'm suffocating in the dark
Numb, I'm losing myself in this heart

Verse 2

I try to break free but I'm stuck in place
My mind is a prison I can't escape
I'm screaming out but no one can hear
The pain inside is all that's clear

Chorus

Numb, everything is falling apart
Numb, can't find a way to restart
Numb, I'm suffocating in the dark
Numb, I'm losing myself in this heart

Bridge

I'm tired of feeling like I'm just a shell
I need to break free from this living hell
I'm reaching out for something more
I won't be numb anymore

Chorus

Numb, everything is falling apart
Numb, can't find a way to restart
Numb, I'm suffocating in the dark
Numb, I'm losing myself in this heart

Outro

I won't let this pain define me
I'll break free and finally be
Alive, awake and ready to live
No longer numb,

Side Eye Anthem

Lyrics By – Ranjan B.N, Nandakishore Hari (IX A)

(Verse 1)

In a room full of whispers, there's a glance that cuts through the air,
A sideways glance, a subtle stare that says more than words can dare.
It's the power of silence, a message left unsaid,
The unspoken language that lingers in my head.

(Pre-Chorus)

Side eye, oh, side eye, you say it all with a look,
A flicker of judgment, a hint of the truth I overlooked.
Side eye, oh, side eye, you've got me feeling small,
But I'll rise above it, won't let your judgment be my downfall.

(Chorus)

Side eye, don't bring me down,
I'll wear my crown, won't let you steal my shine.
Side eye, I'll turn it around,
With strength and grace, I'll rise, I'll redefine.

(Verse 2)

It's a weapon of perception, a momentary glimpse,
A subtle shift of focus that makes my confidence wince.
But I won't let it break me, won't let it tear me apart,
I'll rise above the side eye, ignite my own spark.

(Pre-Chorus)

Side eye, oh, side eye, you say it all with a look,
A flicker of judgment, a hint of the truth I overlooked.
Side eye, oh, side eye, you've got me feeling small,
But I'll rise above it, won't let your judgment be my downfall.

(Chorus)

Side eye, don't bring me down,
I'll wear my crown, won't let you steal my shine.
Side eye, I'll turn it around,
With strength and grace, I'll rise, I'll redefine.

(Bridge)

You think you know my story, but you're just seeing fragments,
A glimpse of my journey, but there's so much you haven't witnessed.
So go ahead, keep staring, with your side eye in tow,
I'll keep embracing my path, and let my true colors show.

(Chorus)

Side eye, don't bring me down,
I'll wear my crown, won't let you steal my shine.
Side eye, I'll turn it around,
With strength and grace, I'll rise, I'll redefine.

(Outro)

Side eye, oh, side eye, you won't define who I am,
I'll rise above your judgment, and break free from this sham.
With confidence and courage, I'll stand tall and proud,
No more hiding in the shadows, my voice will sing out loud.
