Pre Primary

DENTAL HEALTH WEEK:

OBJECTIVE:

- Educated students about proper oral hygiene practices.
- Encouraged good dental habits from an early age.
- Provided a platform for students to interact with dental professionals.

A SNEAK PEEK AT OUR PLANNED ACTIVITIES:

- Short Movie: An engaging short film related to dental hygiene was shown to the students.
- Visit to Prakriya Hospital: Students visited a dentist in Prakriya Hospital to learn about oral care.
- Activity on Flossing: Students participated in an interactive activity highlighting the importance of flossing, and brushing.
- Importance of Mouthwash: Students learned about the benefits of using mouthwash as part of their oral care routine.

Pre Primary **FRIENDSHIP DAY**

Our school celebrated Friendship Day with great enthusiasm and excitement! The students participated in a heartwarming activity, showcasing the true spirit of friendship.

CHILD ACTIVITY, VIDEO PRESENTATION, OBJECTIVE:

- Students created their own handmade friendship bands using wool.
- They exchanged these bands with their beloved friends, symbolizing the bond of friendship.
- A thought-provoking video on "The Importance of Friendship" was shown to the students.
- The video highlighted the value of friendship, empathy, and companionship.
- To foster a sense of belonging and togetherness among students.
- To encourage students to appreciate and nurture their friendships.

STUDENT TESTIMONIALS:

"I loved making the friendship band for my best friend!"
"I felt happy exchanging gifts with my friends!"

TALENTS DAY- KNOW MY TALENTS

Our school celebrated Talents Day with great enthusiasm and excitement! The children showcased their unique talents, leaving everyone in awe.

TALENTS GALORE, COSTUMES AND PROPS, AWARDS AND RECOGNITION:

- Singing: Melodious voices filled the air
- Dancing: Colorful costumes and energetic moves mesmerized
- Yoga: Flexible bodies and focused minds impressed
- Karate: Impressive martial arts skills were displayed
- Drawing: Creative artwork showcased artistic talents
- Colouring: Vibrant colours and intricate designs impressed and many more!
- Children came dressed in creative costumes, adding to the excitement of their performances.
- Prizes were awarded to the best performances in each category
- Every participant received a certificate of appreciation for showcasing their talent.

Pre Primary

INDEPENDENCE DAY

Our school celebrated India's 78th Independence Day with great enthusiasm and patriotism! The children were thrilled to participate in the march-past, drill dance, and sports events.

MARCH-PAST AND DRILL DANCE, SPORTS EVENTS, PRIZE DISTRIBUTION:

- The students showcased their synchronization and discipline during the march-past.
- The drill dance performance post flag-hoisting was a treat to watch!
- Grade-wise sports competitions were conducted, promoting healthy competition and teamwork.
- Students participated with zeal, displaying their athletic skills.
- Winners of each event were awarded prizes, recognizing their achievements.
- Every participant received a certificate of appreciation for their efforts.

Pre Primary

LIBRARY DAY – BOOK PARADE

Our school celebrated Library Day with a vibrant Book Parade! Each class was dressed up as characters from their favorite stories, showcasing creativity and enthusiasm.

CLASS BOOK CHARACTERS, BOOK PARADE, JUDGING AND PRIZES:

- Students from each class dressed up as beloved story characters, bringing books to life!
- Beautiful costumes and props added to the excitement.
- The parade was a colorful display of story characters, with students proudly showcasing their class's chosen book.
- Students walked confidently, displaying their creativity and teamwork.
- Judges were impressed by the creativity and effort put into the costumes and displays.
- Prizes were awarded to the best-dressed classes, recognizing their hard work and enthusiasm.

Pre Primary

KRISHNA JANMASHTAMI – KRISHNA MAYAM

Our school celebrated Krishna Janmashtami with great devotion and enthusiasm! Mothers and children came together to make this event a memorable one.

RADHA-KRISHNA DRESS-UP, RAMP WALK, KANAYYA SONG AND DANCE, PRIZE DISTRIBUTION, EVENT SUCCESS:

- Mothers were invited to dress their kids as Radha and Krishna, and they did an amazing job!
- Mothers and kids walked the ramp together, showcasing their beautiful costumes and bonding.
- Judging was done on the ramp walk, and prizes were awarded to the best-dressed and most confident duos.
- Mothers sang a beautiful kanayya song and danced with their kids to Krishna songs, filling the air with love and devotion.
- Prizes were awarded to the best ramp-walking mothers and kids, recognizing their efforts and enthusiasm.
- The event was successfully completed, thanks to the blessings of Lord Krishna and the active participation of mothers and kids.

Primary (I-IV)

FRIENDSHIP DAY

“Truly great friends are hard to find, difficult to leave, and impossible to forget.”
— G. Randolph

Friendship day is celebrated on the first Sunday of August. To keep the spirit of friendship high, Students of grade 2C and D performed the special assembly. The students represented it in the form of skit which included dance, songs. They highlighted the importance of friends in everyone's life.

Primary (I-IV)

UNSUNG HEROES OF INDIA

India, the largest democracy in the world had seen a very long history of freedom struggle before its independence from the British in 1947. There were many other freedom fighters whose stories remain largely untold. On the occasion of Independence Day, the students of Grade 4 C and D performed the special assembly on 14 August to depict the contribution of many unsung heroes like Karu Bhagat, Kamaladevi Chattopadhyay and many others. The students also highlighted the contribution of unsung heroes of today's India who are helping in the upliftment of the society and the environment like Gurvinder Singh, Ahmed Ali etc. The performance evoked the spirit of patriotism among everyone.

Primary (I-IV)

CCA COMPETITION- INDIGENEOUS GAMES

‘Life is more fun if you play games’.

— Roald Dahl

As part of CCA, a series of competitions was conducted for the primary department. Keeping in mind the spirit of games, various indigenous games were conducted. Grade 1 students played ‘Ball and bucket toss’ showing their concentration skills. Grade 2 played ‘Dog and the bone’ showcasing their focus and energy. Grade 3 played the ‘Hopscotch game’ and Grade 4 did the ‘Tyre race’. The students played enthusiastically and even cheered for their friends.

Primary (I-IV)

WOMEN'S EQUALITY DAY

Empowering Voices of Tomorrow! On 28 August, our Grade 3 students took the stage with a powerful skit celebrating Women's Equality Day! They showcased the incredible journeys of renowned women from various fields, proving that no dream is too big and no goal is out of reach. From scientists to artists, leaders to athletes, these young minds reminded us that gender should never be a barrier to success. Let us continue to support and uplift every girl to dream big and break barriers! Here is to the changemakers of today and tomorrow!

Middle School (V-VII)

KANNADA ACTIVITY - ROLE PLAY

"Role play is the stage where imagination meets reality, allowing us to step into the shoes of others and understand the world through different eyes."

On the occasion of Krishna Janmashtami and Friendship Day, Grade 6 students enthusiastically participated in a role play as part of the Kannada language activity. The students portrayed various scenes from Lord Krishna's childhood, emphasizing the importance of friendship, inspired by the bond between Krishna and his friends. The performances were filled with energy and creativity, showcasing the students' understanding of cultural values and the essence of true friendship. The event was a delightful blend of devotion and camaraderie, leaving everyone in awe of the young talents.

Middle School (V-VII)

CCA COMPETITION - MATHS

"Geometry is the language through which art and architecture speak, transforming simple shapes into masterpieces of creativity and culture."

Maths CCA Activity -Grade 5 - 2D and 3D Geometric Patterns Using Geometrical Shapes

Grade 5 students participated in an exciting activity where they created both 2D and 3D geometric patterns using various shapes. The students explored the fundamentals of geometry by arranging shapes like squares, triangles, and circles to form intricate 2D patterns. These designs demonstrated their understanding of symmetry, repetition, and pattern-making, bringing out their creativity in crafting visually appealing artworks. In the 3D segment, students took their skills a step further by constructing geometric models using cubes, cones, and pyramids. They experimented with depth, perspective, and spatial arrangement to create patterns that popped off the page. This activity not only enhanced their spatial reasoning and problem-solving skills but also allowed them to appreciate the difference between two-dimensional and three-dimensional designs. The enthusiasm and innovation displayed by the students made this hands-on learning experience both enjoyable and educational.

Middle School (V-VII)

MATHS CCA ACTIVITY - GRADE 6 - ZENTANGLE AND WARLI ART USING GEOMETRICAL SHAPES

Grade 6 students recently took part in an innovative activity where they created Zentangle and Warli Art using geometrical shapes. The Zentangle art designs were particularly impressive, with students using shapes like circles, triangles, and squares to craft intricate and mesmerizing patterns. These designs not only enhanced their artistic skills but also deepened their understanding of geometry, as they experimented with how different shapes could be combined to create complex visual effects. In the Warli Art segment, students embraced the simplicity of traditional Indian art by using basic geometric shapes to depict scenes from rural life. They skillfully used lines, dots, and triangles to create human figures, animals, and other elements of nature, capturing the essence of Warli Art while reinforcing their knowledge of geometry.

MATHS CCA ACTIVITY: GRADE 7 - MONUMENTS AND MANDALA ART USING GEOMETRICAL SHAPES

Grade 7 students recently participated in an engaging mathematics activity where they were tasked with creating Monuments and Mandala Art using geometrical shapes. The students displayed remarkable creativity and understanding as they used shapes like triangles, circles, and squares to construct models of famous monuments. Their projects included intricate designs of structures demonstrating the practical application of geometry in architecture. In the Mandala Art segment, students explored symmetry and pattern-making by arranging geometric shapes into stunning circular designs. The mandalas were not only visually captivating but also showcased the students' ability to blend mathematical precision with artistic expression.

Senior Secondary & High School (VIII-XII)

AURORA-INTER SCHOOL COMPETITION

The AURORA Interschool Competition was a grand event conducted on 2 & 3 August 2024, with participation from more than 16 schools and over 500 students. This competition provided a valuable exposure for students, offering a wide range of activities that touched on crucial and engaging topics.

Events included activities on new business startups, stocks and management, cyber safety, as well as creative events like dance, music, and street art. Students also explored scientific wonders through activities focused on rockets and satellites, and eco-friendly projects like creating wonders from waste.

On 2nd August, our school hosted an engaging session of the All India Political Parties Meet (AIPPM), focusing on the critical topic of Electoral Reforms in India. The event saw active participation from students representing various political parties, each bringing unique perspectives on the need to reshape India's electoral landscape.

The discussion emphasized several key reforms, including the need for stricter regulations on campaign finance, improvements to the voter registration process, and measures to enhance transparency and accountability in political campaigns. Some participants advocated for introducing technology to modernize voting methods, while others discussed the importance of addressing the influence of money and muscle power in elections.

The event concluded with a consensus on the importance of electoral reforms to strengthen Indian democracy and ensure fair representation. It was a thought-provoking session that allowed students to explore real-world political issues and propose solutions that could potentially shape the future of the nation.

The AIPPM provided an excellent platform for students to critically analyze the electoral process and offered a glimpse into the complexities of policymaking in a democratic system.

Senior Secondary & High School (VIII-XII)

78TH INDEPENDENCE DAY

The 78th Independence Day was celebrated with great pride and enthusiasm. The day began with a spirited 3 km walkathon, where nearly 150 participants of all age groups enjoyed the fresh morning air as they walked together. This was followed by the hoisting of the national flag, accompanied by inspirational speeches that stirred patriotism in everyone present. The celebration continued with vibrant dance performances and a prize distribution ceremony, concluding a day filled with pride and unity.

Senior Secondary & High School (VIII-XII)

CCA COMPETITION- TED TALK

The TED Talk competition for Grades VIII to XII was a dazzling display of talent and intellect!

Every student took the stage with electrifying energy, delivering speeches that not only shared their passions but also challenged and inspired us all. Their voices resonated with confidence and creativity, leaving the audience in awe of their profound insights and fresh perspectives.

This event wasn't just a competition; it was a celebration of young minds ready to change the world!!

Senior Secondary & High School (VIII-XII)

CCA COMPETITION- HOUSE WISE- DEBATE

Our house-wise debate competition for grades 8-12 was a true showcase of brilliance and intellect! The students impressed us all with their sharp preparation, confident articulation, and persuasive arguments.

Their dedication shone through as they tackled thought-provoking topics like:

- Can India become a cashless economy?
- The role of celebrities in politics – is it beneficial?
- Can India achieve gender equality by 2030?

Kudos to all participants for their remarkable performances! Keep shining bright and pushing boundaries!

Senior Secondary & High School (VIII-XII)

SANSKRIT DAY CELEBRATION & CONCLUSION OF SANSKRIT SHIBIRAM

भाषासुमुख्यामधुरादिव्यागीर्वाणभारती।
तस्यांहिकाव्यंमधुरंतस्मादपिसुभाषितम्॥

Celebrating World Sanskrit Day!

Our students, guided by Vani Ma'am, captivated the audience with divine shlokas, Bhagavad Gita recitations, a lively skit, and inspiring slogans, highlighting the beauty and relevance of Sanskrit.

The celebration included an impactful speech on the language's significance and the honourable felicitation of our chief guest.

The event concluded with a Sanskrit Shibira, immersing everyone in the essence of this ancient language.

A big appreciation to Vani Ma'am and our talented students for their remarkable efforts in making the event a grand success!

Senior Secondary & High School (VIII-XII)

BAMBOO DRIP IRRIGATION- PROJECT

Grade 10 students, under the expert guidance of Sir Xavier D'Souza, dived into the fascinating world of Bamboo Drip Irrigation, a traditional system from Meghalaya. This eco-friendly technique uses bamboo pipes to channel water efficiently, reflecting the brilliance of indigenous practices.

Our students took on this project with passion, crafting their own bamboo drip systems with incredible skill and creativity.

A massive shout out to our talented students for their hard work and enthusiasm, and to Sir Xavier for inspiring and leading the way towards sustainable learning!

STUDENT ACHIEVEMENTS

VISHVAVIDYA PEETH MODEL UNITED NATIONS

We are incredibly proud to announce the remarkable achievements of our students at the VVPS Model United Nations (MUN), held on the 25th, 26th, and 27th of July. The event was a significant platform for young minds to showcase their diplomatic skills, critical thinking, and teamwork.

Avisha and Kaushal, representing our school, made us proud by winning prestigious awards. Avisha was honored with the Commendable Delegate award, recognizing her exceptional contributions and articulate arguments during the sessions. Kaushal received the Honourable Delegate award, showcasing his keen understanding of global issues and persuasive communication skills.

Both students were also awarded cash prizes, further highlighting their outstanding performance. Their success is a testament to their hard work, dedication, and passion for global affairs.

Congratulations to Avisha and Kaushal! We look forward to witnessing more such achievements in the future.

STUDENT ACHIEVEMENTS

NPS INTERSCHOOL FEST

We are elated to announce the remarkable achievements of our students at NPS Yeshwantpur! The event provided an excellent platform for our young minds to showcase their diplomatic acumen, sharp critical thinking, and exceptional teamwork.

- 🏆 Akanksha Singh - Runner-Up in NPSYPR GOONJ Eximii Magistri
- 🏆 Nishanth Reddy & Veda N T - Runner-Up in Lex Magna - Moot Court
- 🏆 Dia T, Deeksha V, Jeevitha S, Payal Ponnamma, Andrea Varughese, & Vamshi Kruthi - Runner-Up in Theme Walk.

Their remarkable performances, earning them prestigious awards, have filled our school with immense pride. This success is a testament to their unwavering dedication and hard work. We look forward to celebrating many more such victories in the future!!

STUDENT ACHIEVEMENTS

INTER SCHOOL SWIMMING COMPETITION

Ms. Saakshi of Grade IX A brought great honor to our school by winning several prizes in the interschool swimming competition held at Soundarya School in the following categories

1. 50 m free style 4th place
2. 50m back stroke 5th place
3. 50m breast stroke 6th place secured

WORKSHOPS:

We successfully conducted a 10-day Sanskrit Bhasha Shibiram session for our Sanskrit students in Grades 5-8, organized by Samskrutha Bharati, Dasarahalli Bhaga. Each session lasted one hour, focusing on enhancing cognitive functions, such as memory, through the study of Sanskrit.

Session Details:

- Grades 5 and 6: Held from August 5 to August 14, 2:00 PM - 3:00 PM, under the guidance of Uma Bhagini.
- Grades 7 and 8: Held from August 19 to August 29, 2:00 PM - 3:00 PM, led by Ronith Mahodaya.

We are confident that these sessions have deepened the students' understanding and appreciation of Sanskrit.
